Wilson River Coach Car Restoration Fundraiser

Oregon Coast Scenic Railroad is currently finishing the restoration of a 1924 ex-Southern Pacific coach car. When the project is completed, the indoor car will be used on the Coastal Excursions adding 96 seats, almost doubling the current seating capacity and enabling OCSR to operate during inclement weather. The final phase of this project involves reupholstering the 48 bench seats. OCSR strives to preserve pieces of railroad history for the public to enjoy.

To do this, OCSR has launched this fundraiser to help in the final phase.

How can you help OCSR reach it's goal? Sponsor a seat!

For \$250, OCSR will be able to reupholster one bench seat. And to show our gratitude for donating to this cause, a plaque will be placed on the seat naming you as the sponsor or you may choose to dedicate the seat to someone.

Benches will be assigned to the first 48 responses. OCSR is a non-profit 501c3, all donations are tax deductible.

To help, complete the form below.

Name: _____

Mailing Address: _____

Phone Number: _____

Desired wording on plaque:(ie: Sponsored by John Smith, Sponsored by the Smith Family, Dedicated to Rose Smith, In the memory of Rose Smith) _____

Amount Enclosed: _____

Please Return to: Oregon Coast Scenic Railroad, Wilson River Car, PO Box 669, Tillamook, OR 97141

Thank you,

Oregon Coast Scenic Railroad
